

Konrad-Adenauer-Stiftung Media Program SEE

organizes the workshop “Access to Information for Journalists”

Zagreb, 28-30.03.2012

Application Deadline: 09.03.2012

Journalists and bloggers play a decisive role in disclosure of abuses and provision of information. This requires special skills in database-research and knowledge of the freedom of information legislation.

The KAS Media Program South East Europe organizes in Zagreb from March 28th-30th, a three-day-workshop for training journalists from Croatia, Bosnia and Herzegovina and Serbia in these topics. Co-organizers of the workshop are the journalists' network N-Ost, the organization Access Info and Transparency International. Interested journalists can enroll until **9th March 2012**
